

May 27, 2017 - Catia v6r2009 64-bit license file can be downloaded here. Registration is not required. Just download and enjoy.. As mentioned above, this is . dmg file, which you just need to unpack into the Catia v6R2009 folder. After that, you should run the catia.exe file (see screenshots), select the "File" item and select the "New license" item (see above). After that, a .cat4 file will be generated. After that, the license file can be saved in any folder, and later, when you start Catia v6R2009, the license file will be launched. As a result, you can achieve that Catia v6R2009 will run continuously, and not just until the computer is turned off..
