Category:Video game mods Category:Windows games Category:Windows-only gamesQ: Is the Google Distance Matrix API free? I've been using the Google Distance Matrix API successfully for a while (3 months) with a Pro account, and I'm now trying to see if it's possible to use it for free. If I try to do that, I am told that I need to be logged in, and after doing so I get the error messages below. Is this API really free of charge?

Q: Can the phrase: 'with great power comes great responsibility' be used in the negative sense? My friend wrote a lot of useful code and is working for a company where he does not have much to do - he works from home. However, he still has complete freedom to do what he wants. He is writing about his new boss and how things are changing. His boss is now demanding more work

from him. He is afraid of taking work from him as he is enjoying his current work experience, but is afraid of being fired as his boss is demanding more work from him. His boss tells him: 'With great power comes great responsibility.' Can I say to him: 'With great power comes great responsibility'? If so, can we use it in the negative sense 570a42141b
