Though it was the first capital city of the colony and was still called the capital well into the 19th century, the gorgeous city has now ended up as one of the most popular and well-known tourist destinations. While there are many tourists that choose to visit Richmond, the main reason why it has become a hotspot among tourists is the fact that it is full of the most amazing natural features that are just tremendous, and such features are the perfect choice for a holiday. The Seaport The first and foremost sight for all tourists that visit the city is the fabulous Seaport. It is a beautiful and trendy part of the city and it is made of open and covered spaces surrounded by the water. The city's sea port has a marina with many high quality yacht facilities that come in handy to the visitors. There are many interesting water sports that people can enjoy with the help of yacht boats, and visitors can enjoy the thrilling water-based sports such as jet skiing or paddle boarding. Visitors can also enjoy the beautiful view of the coastal marine life and even the graceful skyline of the city's huge buildings. The Richmond Inner Harbour One of the greatest things that the city has to offer is the astonishing 570a42141b
