April 15, 2016 - This Mod reduces the stats of those with higher levels, effectively making the game more realistic regardless of Geralt's level. The mod adds two new swords to the original game - Fang and Fang II. Fang is a two-handed sword with a short blade, designed for close combat and can be used as a melee weapon. Fang II is a one-handed sword with a long blade, designed for ranged combat and can be used as a melee weapon. They are available

at the beginning and end of the game, but not as weapons in the game itself. To improve the weapon, the Mod uses a modified recipe that includes:
