[12:50:24 PM] Jirie Telou: [a very interesting question, I could see boris and vic on the rocks, no to an interesting answer on some other topics, or a rather absurd one, you can probably do whatever you want - we won't mention it :)] Well, finally, at least one topic that I liked, and which at least somehow can be commented on.Although, of course, there were a lot of empty questions, answers, and so on, is it worth discussing a question that is not related to the topic of the question, or is it interesting to discuss those modelers who make a type of backup for screenshots? Also, does anyone have anything to say? what topics are you interested in? P.S. I noticed that in a week the number of comments has increased from 16 to almost 22. Is this normal? And many members of the forum have not yet seen on the forum. If anyone has interesting posts on: - indiecinema-lounge.com/forum/viewtopic.php?t=1
