Featuring “Elden”, the mythical sword that cuts through the darkness, and the Elden Ring Activation Code, an ancient power which gives the sword power. In the Myth of Elden, the original swordsman is the protagonist – a boy who promises to himself that he will wield Elden and protect the Lands Between from darkness. For those who have never experienced Elder Scrolls Online before, look no further! The new fantasy action RPG is coming to Xbox One and PS4 in the U.S. and Canada on Sept. 19, 2018. Long awaited by Elder Scrolls fans, the game will feature a vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. The game is set in a fantasy world where dark creatures rule over the mortal lands. Elswyr is a large, sprawling nation that is torn apart by war. The daedric prince Molag Bal claims the throne and controls two powerful factions - the Magisters and the Legion - which are fighting over the distribution of power and resources. As a strong warrior, you are able to wield an ancient weapon called Elden, which has the power to cut through the darkness and clear away the blood of your enemies. As an adventurer, you must learn skills, methods, and a variety of special abilities to use in combat, while collecting a variety of items and gaining experience. Three of the largest cities in Elswyr; Markarth, Riverwood, and Windhelm, are all within reach of the player. As you navigate through the Lands Between, you will face overwhelming threats that include a variety of creatures and legions of fierce, powerful warriors. As you progress through the story, you will uncover a vast, captivating world and encounter many adventures that are waiting to be experienced! New Fantasy Action RPG Features: A Vast World – Where is the border between life and death? The Lands Between are shrouded in darkness. In this vast world, a traveler could be driven mad from the constant fear of encountering something unknown. The Lands Between, where legendary Elden often rest, is where mortal life has no meaning. Lands Between - An Ever-Changing World As the player navigates the Lands Between, he can experience a new city, towns, dungeons, forests, plains, or mountains. Adventurers can

There is no PvP battle in both worlds, friends and strangers are in the same worlds and can freely battle together. "My goal is to provide you with a smooth, awesome game experience with lots of quality content!" \*Other than the game and in-game things, Battle and World Merge also have daily events. In addition, when the battle and world merge, the world changes and the players who participated in the battle feel the change as well, so please stay tuned and enjoy. When you launch the game from Steam, you can also sign in on the same account you used in Steam. The same will be applicable for "remember me" on "Login With". The Battle and World Merge worlds are separate. When you decide to go to an unfamiliar world, your Battle ID and Battle Character will be transferred to it. When you log in, the Battle ID of the world you logged in last will be returned to "Battle". PvP battles in the parallel world can be done with friends or strangers, and the result will be sent back to Battle. Let us know if you have questions about the game's design, in-game features or anything else. Thank you. Don't be overwhelmed by the enormous library of content available in this game! Explore the world at your own pace, learn about its existing content, and have fun! Once you experience the thrill of epic battles, you'll want to participate in them over and over again. You can embark on an adventure, explore, meet and be friends with other players, and fight against them in a PvP battle! If you want to fight against other players, it's time to prepare yourself, people like you have been doing PvP battles for many years. This is a game made to give a high sense of accomplishment to people who can fight well. However, this is a high-difficulty game, so don't worry if you don't have the same level as the other players, just enjoy the unique world and the joy of discovering its hidden secrets. This is a fantasy RPG game filled with the magic of the three races, Dragons, Elves, and Humans, and it will take your every drop of blood to finish it! Players can be a Dragon, Elf, or Human, and the other races will be marked on the world map if you're a member of a particular race. Humans can be powerful magical beings

Remote-handled EIT systems are provided with a control console, arranged on the vessel or a mobile platform. The control console comprises a master controller, a power supply, a remote control unit, a communication unit and a display unit. Remote-handled EIT systems are generally used for diagnostics or operation of pipeline and other vessels. The controlling of the vessel may be performed by the operator from a remote control unit that connects via communication links to the master controller. Alternatively, the controlling may be performed by an automatic control system, which may be connected to the vessel either directly or through a network that is connected to the vessel. The master controller is commonly arranged on the vessel and controls a slave controller, located on the remote control unit. The slave controller controls the sensors and units of the EIT system. The control can be performed either directly from the slave unit, or from the master controller via communication links. In some cases, the system may contain several sensors or units, each controlling a small portion of the vessel, e.g. the surroundings of the pipeline, and the operator may have a large number of tools at his disposal. This problem is compounded by the fact that the operator should have access to the tools at any time, even in the middle of an EIT operation. There are different solutions to this problem. On one
