Lance couldnt explain why he felt the sudden need to be closer to her, but he did. And he wanted to lean over and kiss her, but he knew that wouldnt happen unless someone was sitting next to her. That lady has a Bible under one arm and a menu under the other and shes apparently hungry! It would have been the perfect time for them to sit next to each other and kiss, but Lance and Paige had the rest of the bus to themselves. Then, the moment was over and he was ready to concentrate on making it back to class on time. At the next stop, a man with a trunk joined the group. The conductor did a quick scan of the group, and nodded to the man. After looking at his ticket, the man waved to the conductor, indicated that he was going to his destination, and then stepped off the bus. The conductor gave the group one last glance, and then he had to deal with the rest of the passengers. Paige leaned over and whispered, How could something like that just happen? All of a sudden, I realized the security guard didnt have the same type of nametag. Im sorry I missed you earlier. Do you want to wait here or should we go somewhere else? I know. I know. I really appreciate it. You dont have to take care of me. Wait here. I will be right back. She held up her purse, and it was empty. I know! I really appreciate you taking care of my bag and my jacket. Im just glad I had the opportunity to help. Dont worry. Im not in a hurry to go anywhere. I can wait for you. Thank you. Can you stay right here while I run in and grab something for us to eat? Yes. Lets go. But I forgot all my books! Dont worry. I have a couple of them right here. Go ahead. Here are the books.
