## Batman Arkham City Serial Unlock Code BEST

---

after defeating the joker, bruce realizes that nyssa has set batman up, as she is the one who introduced the joker to the toxin. nyssa then arrives at the clock tower with nyssa's men, and it is revealed that nyssa is now a member of the league of assassins. batman then learns that nyssa has taken control of the gotham museum, and that all of the militia members working for the arkham knight are under her control. while driving in the batmobile, batman rescues a runaway girl. she tells him that a serial arsonist named firefly has kidnapped the police officers. batman saves them and then has the batmobile drive them to firefly's hideout. however, firefly escapes and batman chases him through the sewers to set up a trap. after chasing firefly through sewers, batman discovers that firefly has rigged the batmobile with explosives. after defeating firefly, batman drives the batmobile into a quarry and uses a remote to blow up the explosives, killing firefly and destroying the batmobile. dr. wu gets his hands on the joker's old cell and uses it to create an antidote for the joker's mutagen, thus curing the joker of the joker venom. the next step is for a chemist named maxie zeus to synthesize the antidote. in order to gain access to maxie's lab, batman must infiltrate arkham asylum. the joker's cell was constructed in the old maximum security section of arkham asylum. the joker was working with a group of inmates and an unknown contact in the prison who was supplying him with material for the joker venom. the joker venom was a toxin that was used to stop the joker venom from taking effect.

## Batman Arkham City Serial Unlock Code

batman: arkham city is a stand-alone game. the game is set in the fictional city of gotham, which is being overrun by an epidemic of crime and anarchy. players enter the game as the notorious batman and the story takes place one year after the events of arkham asylum. like arkham asylum, batman: arkham city features improved gameplay and controls, more traversal options and a new social system called the asylum online. players are able to develop their character throughout the game, which allows them to specialize in a particular field of expertise and upgrade their gadgets, weapons and skills. the player can choose to play as either batman or robin. the game starts with batman. players move through the game and gradually unlock different areas of the city, going through the main story missions. if the player chooses to play as robin, they can go through the story as either robin or nightwing. robin will be able to go through all of the story missions as nightwing, but nightwing will be able to go through the story as robin or nightwing. players can choose to play as either batman or robin. the game starts with batman. players move through the game and gradually unlock different areas of the city, going through the main story missions. if the player chooses to play as robin, they can go through the story as either robin or nightwing. robin will be able to go through all of the story missions as nightwing, but nightwing will be able to go through the story as robin or nightwing. the free-roaming gameplay is done in an environment much like that of the original arkham city.

---

the free-roaming aspect is a great addition to the gameplay, which has seen a lot of improvement since its release. the new gameplay features a new free-roaming system, which opens up the city to the player. the player can drive a batmobile, park in the batcave, and will be able to visit the locations of batman's activities. but you wont be able to access the entire city, only the special locations that you have unlocked. 5ec8ef588b
