Re-Loader Activator V2.2 Final [4realtorrentz]

Sep 4, 2016 - is the application of ... I filled in a VAT return and sent it to the FTA via TCS. There is an error in the declaration: The amount without VAT is indicated. At the same time, there were no mistakes in the declaration, all the data was correct.

Could you please advise me where to look for an error?

Answer: All the data in the VAT return are correct. The error is that the operation code is incorrect. In your situation, this code is 1010231. You need to submit a revised tax return and

correct the VAT payment. Source:
